e-Government Procurement (e-GP)
NOTICE INVITING TENDER

The State Police Chief, Kerala Police Department, Government of Kerala invites online bids from reputed manufacturers/ authorized dealers or reputed vendors for the SUPPLY OF EXPLOSIVE DETECTOR. The bidders should comply with the following general conditions in addition to the additional conditions of the instant tender.

General

1. The Bidder should be a reputed Original Equipment Manufacturers (OEM) or authorized dealer of OEM, who is having an Authorization Certificate from the OEM to participate in the tender floated by Kerala Police. Certificate from the OEM for sales and service, to be produced.
2. One bidder can not represent two suppliers/OEMs or quotes on their behalf in a particular tender.
3. The OEM/Bidder should have a well equipped service centre functioning in India (preferable in Kerala) to cater to immediately after sales requirement; copy of Service Centre details must be enclosed along with Tender document. (Preferably bidder should have a Service Centre in Kerala/South India).
4. A reputed vendor can participate in the tender provided the vending outfit is functioning in the market for at least 5 years.
5. The Bidder should have valid GST registration. Copy of GST registration certificate should be enclosed along with the tender.
6. The bidder should have valid PAN/Taxation Index Number. Copy of PAN/Taxation Index Number allocation letter should be enclosed along with the tender.

7. The Bidder must fulfill the following minimum qualification criteria to prove the techno-commercial competence and submit the documents in support thereof:
   a). Valid Authorization letter from the OEM to attend this particular Tender.
   c). Last 3 year's financial status of the Bidder's/P&L and Balance Sheet/audit report of last 3 years.
   d). The bidder (authorized dealer/distributor) should have the dealership/distributionship for at least 3 (three) continuous consecutive years with the OEM.
   e). The Bidder has to submit a letter specifying the warranty period.
   f). In case of a propriety item, a certificate by the OEM to be attached.

**8. Mode of submission of bids:** Online. All Bid documents shall be submitted only in online procedure through the e-GP website [www.etenders.kerala.gov.in](http://www.etenders.kerala.gov.in) in their designated online covers. Details of covers are given separately. No other mode of submission shall be accepted and such tenders will be rejected outright.

**9. Cover details:** - No. of covers - 2. i) Technical Bid ii) Financial Bid. The AMC/ATS after warranty period also to be quoted in the Financial Bid. In the case of Foreign Equipments, the rate must be quoted in Indian Rupees. The documents to be uploaded under each online covers are specified in the website.
10. **Downloading of e-Tender documents:** - The tender document can be downloaded from the e-GP website [www.etenders.kerala.gov.in](http://www.etenders.kerala.gov.in) from the date and time of publication of e-tender onwards to last date and time for online submission of e-tender. Downloading of tender documents will not be possible after the date specified above.

11. **Submission of e-Tender documents:** - The digitally signed tender document and other specified documents shall be submitted online through the e-GP website [www.etenders.kerala.gov.in](http://www.etenders.kerala.gov.in) well in advance before the last date and time mentioned above. No submission shall be allowed after the last date mentioned above.

12. **Payment of Tender Fees:** - A non-refundable tender fee shall be paid in online mode through the e-GP website [www.etenders.kerala.gov.in](http://www.etenders.kerala.gov.in) at the time of bid submission. No other mode of payment shall be accepted. **THE TENDERS OF BIDDERS WHO DO NOT REMIT FEES THROUGH ONLINE WILL BE REJECTED OUTRIGHT.**

13. **Payment of Earnest Money Deposit (EMD):** - The EMD shall be paid in online mode through the e-GP website [www.etenders.kerala.gov.in](http://www.etenders.kerala.gov.in) at the time of bid submission. No other mode of remittance shall be accepted.

14. **Exemption from payment of EMD:** - Bidders who are registered with Store Purchase Department, Kerala or National Small Scale Industries Corporation Ltd., New Delhi (for the items tendered) are exempted from submission of EMD. Those bidders claiming exemption shall submit valid registration certificate from the SPD, Kerala or NSSIC, New Delhi.

   **Tenders of bidders who do not remit EMD online or do not upload documental proof (digitally signed) for exemption of EMD will be rejected outright.**

15. **Withdrawal and re-submission of e-Tender:** - The Bidders are at liberty to withdraw the submitted tender/documents and to submit fresh tender/documents till the last date and time of submission of the e-Tender after which withdrawal/re-submission will not be allowed.

16. **Opening of e-Tenders:** - The bids shall be opened online through the e-GP website [www.etenders.kerala.gov.in](http://www.etenders.kerala.gov.in) at the Police Headquarters, Vazhuthacaud, Thiruvananthapuram on the date and time mentioned above in the presence of the Bidders/ authorized representatives who wish to attend at the above address. If the tender opening date happens to be a holiday or non-working day due to any valid reason, the tender opening process will be done on the next working day at the same time and place specified. Any change in the opening date/time/venue due to other reasons shall be informed by way of Corrigendum published in the e-GP website. The Technical Bids will be evaluated by a Technical Evaluation Committee and those that do not conform to the specifications or to the satisfaction of the Committee will be rejected. The financial bids of the Technically qualified Tenderers only will be considered for opening. The date of opening of financial Bids will be intimated to the concerned technically qualified tenderers, over phone/Fax/e-mail. This will be within 7 to 10 days of evaluation of technical bid.

17. **Technical Evaluation:** - All tenderers who quote for the supply of above equipment are required to be ready for live demonstration to be held in the Conference Hall of the Police Headquarters, TVPM on 21.05.2020 at 10.30 AM (or any other venue which will be intimated in due course). In the
event of firms not able to show live demonstration, they need to convince the Technical Evaluation Committee about such inability and resort to documentary/power point presentation with original product brochures/CDs(scale models)/videos/slide shows etc. to the utmost satisfaction of the Technical Evaluation Committee. Any clarification/doubts regarding the specification or related matters pertaining to the items tendered may be freely got cleared through Inspector, BDDS - 0471-2721547 or 09497987474.

18. All Bidders who participates in e-tender should produce hard copies of all relevant documents related to e tender at the time of technical evaluation, without fail.

19. Note to Bidders:

i) Bidders have to procure legally valid Digital Certificate (Class III) as per Information Technology Act, 2000 for digitally signing their electronic bids. Bidders can procure the same from any of the license certifying authority of India. For more details, please visit the e-GP website www.etenders.kerala.gov.in.

ii) Bidders are advised to note the Tender_Id and Tender No. & Date for future reference.

iii) All uploaded documents should contain the signature and the office seal of the bidder/authorized persons and should be digitally signed while uploading. Documents uploaded without digitally signing shall entitle rejection of the tender.

iv) In the case of Foreign Equipments, the rate should be quoted in Indian Rupees. Preference will be given to those who are ready to supply the item without opening Letter of Credit. Ordinarily, no advance payment will be made for procuring the above item. In case advance payment has to be made, a clear case has to be made out by the Tenderee. However this will be only on extraordinary circumstances.

v). For obtaining Digital Signature Certificate and help on e-tendering process, contact Kerala State IT Mission, e-Government Procurement PMU & Helpdesk, Basement floor of Pension Treasury Building, Uppalam Road, Statue, Thiruvananthapuram; Ph: 0471-2577088, 2577188; Toll free no: 18002337315; e-mail:etendershelp@kerala.gov.in ; Website: www.etenders.kerala.gov.in on all government working days from 9:30 am to 5:30 pm.

vi) The State Police chief is empowered to reject any tender without assigning any reason.

vii) For any clarifications regarding the terms and conditions in this tender notice or the tender document, please contact Additional Asst. Inspector General of Police, , OR Senior Superintendent H Branch, Police Headquarters,
Vazhuthacaud, Thiruvananthapuram – 10 on all Government working days from 10:30 am to 5:00 pm. Ph:0471-2721547 Fax: 0471-2726945

viii) **Bidders who are using Internet Banking are requested to make online payment 72 hours in advance.**

**NOTE: - BIDDERS ARE ADVISED TO GO THROUGH THE CONDITIONS IN THE NOTICE INVITING TENDER AND THE TENDER DOCUMENT CAREFULLY AND COMPLY THEM TO AVOID OUTRIGHT REJECTION OF THEIR TENDER.**

For any litigation relating to this order, the jurisdiction will be Thiruvananthapuram City.

Additional Assistant Inspector General of Police

For Director General of Police & State Police Chief, Kerala
EXPLOSIVE VAPOR DETECTOR

1. General – Explosive detection is non-destructive inspection process to determine whether a baggage contains explosive material.

2. Operational characteristics
   a. Sensitivity: The detector should be able to detect all type of organic and inorganic explosives in vapors, liquid, powder, particle and mixture form at varying temperature without touching the suspected item (Sample of explosives should be kept inside a container like box, cooker, briefcase, carton, bag etc)
   b. Selectivity: System should not respond to odor of non-explosive substances (Should not detect any non-explosives samples)
   c. Specificity: False alarm rate should be less than 5%, the false alarm shall be distinct from alarm in case of explosives and detectable with ease.
   d. Carrier Gas: Detector system should not require the use of carrier gas. The equipment should also not require any consumable for detection
   e. Auto Calibration: Adjustment/Resetting for further operations should be automatic
   f. Warming up time: Should be less than 15 second
   g. Analyzing time: Should be less than 30 second
   h. Electromagnetic interference: Operations should not be affected by electro-magnetic interference of other electronic/magnetic devices
   i. Operating temperature:
      i. Minimum: -10°C to Maximum: + 55°C
      ii. Humidity – upto 95% non – condensing
   j. Indicators: Equipment should give out both audio and visual alarm signals
   k. The equipment shall be easy to carry during operation and shall not cause strain to the arms.
3. Physical Characteristics
   a. Versatility: Equipment should be rugged for military use and should be able to function correctly in all weather conditions prevalent in India
   b. Ease of operations: Results given by the detector/equipment should be self-explanatory and should not require any reference
   c. Display:
      i. Equipment should have a full coloured LED/LCD display
      ii. Equipment should display following details
          1. Type of explosive on detection
          2. System on/off
          3. Status of system calibration
          4. System battery status
          5. Mode of detection
          6. Any other functions of the equipment/ volume/power etc
   d. Data Transfer: Equipment should have USB port/Bluetooth for data transfer
   e. Power Supply:
      i. It should operate on AC/Dc supply
      ii. Battery endurance – minimum 4 hrs
      iii. Lithium Iron battery with 2 spare battery
   f. Portability:
      i. Equipment should be one man portable
      ii. It should fit into one had carrying case
      iii. Max operating weight 2Kgs
   g. Safety:
      i. The equipment should be safe to handle
      ii. Should be free from any kind of radiation hazard to the operator
      iii. Laser output of the equipment should not active/detonate the IED
h. Database:
   i. System data base/Library of explosives should be upgradable and expandable at the user level

i. Carrying Case:
   i. Should be hard, strong, rugged, light weight and water proof
   ii. Carry case : While operating
   iii. Case should be ultra-light
   iv. It should have provision for carrying accessories and consumables
   v. It should have provision for wearing by the operator
   vi. Should be water proof

j. Spare and Service:
   i. Carrying case – One per equipment
   ii. Carrying case – for operations – One per equipment
   iii. Battery charger – One per equipment
   iv. Test samples – 2Nos to be specified by the users at the time of tendering
   v. Spare battery - 2Nos to be specified by the users at the time of tendering
   vi. Manufactures list of recommended spares duly priced

k. Training : One week of In-situ training to be carried out by the OEM

4. Miscellaneous – The firm should provide the following documents/literature (in English language along with the equipment’s)
   a. Technical manual with full description of the item
   b. Users handbook
   c. Literature on care and preservation technique/methods
   d. Specifications for packing, handling/transportation/storage
   e. Details regarding periodical checks to be carried out by the user for serviceability of the equipment.
5. The vendor should impart detailed training free of cost to sufficient personnel at the place(s) specified by the Department.

6. The supplier should have well-equipped office / workshop for maintenance with qualified engineers in repairs/ service. If the equipment needs repairs it should be carried out within 10 days from the date of receipt of intimation.

7. Supplier should have direct authorization from the OEM to participate in the tender. Necessary authorization documents should be made available in this regard. The name of the OEM along with the contact telephone numbers, addresses, fax numbers & E-mail address may be available for confirmations with the OEM about the status of the supplier.

8. Periodical service minimum once in three months during warranty period.

9. Minimum 5 years warranty for the equipment, batteries, battery charger and for other all accessories.

10. The Firm should provide AMC for a period of 3 years after the warranty period should be enclosed with the tender proposal.

11. AMC should be express as percentage of total product value (TPV) separately for each year of AMC.

12. Tenders will be evaluated based on the net liability to the department which includes Product cost and AMC cost.
